

Covid 19 Terms and Conditions April 2021

The Government and DVSA have announced that driving lessons can resume from Monday 12 April 2021. Although we cannot adhere to the social distancing or car share rules. To ensure the safety of both instructor and pupil the following rules will be implemented until further notice.

1. To enable efficient time management and sanitization of the car between pupils all lessons will be either 1.5 or 2 hours.
2. All payments must be made by bank transfer at least 24 hours before the lesson commences.
3. All lessons will start and finish at your home address to prevent the need for bringing coats and bags to the lesson.
4. You should wear clean clothes and wash your hands immediately before coming out for your lesson.
5. At the start of the lesson all touch points in the car will be sanitized.
6. You must wear a new, clean face mask for the duration of the lesson.
7. You must bring your own hand sanitizer and use it before entering the vehicle.
8. You will receive an appointment reminder by text 24 hours before your lesson. No appointment cards will be issued.
9. Priority will be given to those pupils who have a test booked. Further details relating to the driving test will be discussed during a lesson.
10. You must notify me immediately if you, a member of your household, or anyone you have been in contact with has symptoms of Coronavirus or a positive test. Should you have to self-isolate due to potential infection you must cancel your lesson immediately. No cancellation charge will be made, and lessons will not resume for at least two weeks. Please be aware that I may also have to cancel lessons at short notice due for the same reasons.

Please adhere to the social distancing rules between lessons. Everyone needs regular lessons and it will not help if we need to keep stopping and self-isolating every few weeks, especially when people have tests booked.
